## **InsulTote®** products:

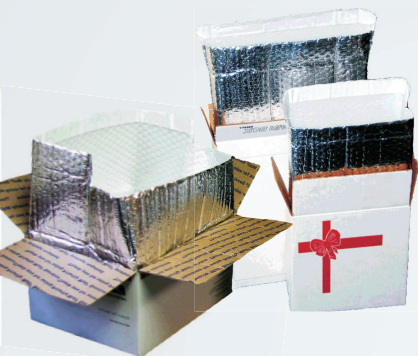

- Prevent heat gain or heat loss
- Are made the exact size you need
- Reduce warehouse storage needs
- Eliminate the need for next day deliveries
- Available in many styles including re-usable
- Cushion as they insulate, protecting your contents
- Decrease the size and amount of gel packs required
- Take up a fraction of the space as compared to EPS foam

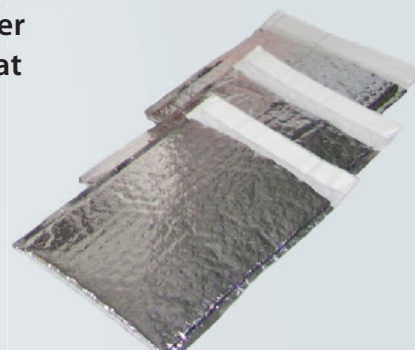

## *InsulTote*® products:

### Box Liners

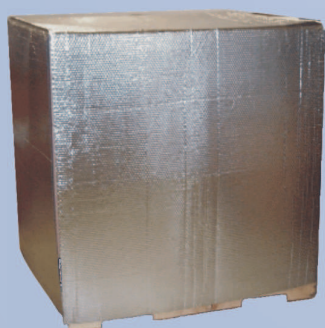

InsulTote box liners make the perfect cost-effective alternative to bulky insulated boxes and are available in virtually any size.

### Pouches/Mailers

InsulTote pouches offer ideal protection for flat or smaller items because they cushion as they insulate and can be made exactly the size you need.

### Pallet Covers

InsulTote pallet covers are available in a variety of sizes and can be produced in a seamed or flap style to make protecting cargo that much easier.

### Boxes

InsulTote custom-tailored boxes and totes can be produced using either corrugated cardboard or an insulating foam material.

### Container Liners

InsulTote container liners reduce the risk of moisture and temperature damage, and their unique design makes installation a snap.

### Custom Solutions

Whether large or small, hot or cold, InsulTote products can be tailored to any size, shape or style. We'll work with you until our design meets your needs.

### Roll Stock

Rolls of our packaging-grade reflective bubble material are available in a wide variety of sizes so you can receive exactly what you need.

### Gel/Ice Packs

We offer a variety of reusable cold packs, including sweat-proof styles, that help maintain ideal temperatures for your items.

## Temperature Comparison

Testing was conducted in a controlled environment using a standard corrugated box lined with an InsulTote insulated box liner. Items placed inside the liner were (12) 4.25 oz. candy bars and (4) coolant bricks.
